9	\$3,610	\$1,581	\$5,191	\$519.10
10	\$3,610	\$1,581	\$5,191	\$519.10

Levies

The levies are charged annually to help meet the costs of providing materials for the various teaching and sacramental programmes, excursions and co-curricular activities. Levies at each year level do not include interstate or overseas trips, in accordance with our fees policy. The cost of these are not possible to determine at this time.

Enrichment course charges for Years 9 and 10 are added to the levy component of the February invoice (activities such as outdoor education and extreme sports). Levies for students in Years 9 and 10 will vary because of these charges. There is no refund for activities that students do not attend during the year.

There is also a separate Capital Levy of \$100 per family.
