Sport at Mount Carmel College

Mount Carmel College has an extensive and varied co-curricular sports program. Students at the college are encouraged to participate in sport to develop new interests and skills, increase their social network, foster teamwork and build leadership abilities. In sport we promote participation, respect and cooperation, with the hope that students have fun and enjoy a lifelong participation in physical activity.

The College participates in competitions and carnivals provided through the Sports Association of Tasmanian Independent Schools (SATIS) at the secondary level, and the Junior SSATIS (JSSATIS) and Southern Tasmanian Catholic Primary School's Sports Association (STCPSSA) at the primary level, as well as a number of other sporting associations. Leadership

The College provides Secondary students with leadership and mentoring opportunities through coaching and/or umpiring sport. Coaching and umpiring are great ways to gain confidence, transfer knowledge of a sport and have a positive impact on the lives of others.

Opportunities can fit in with student's availability. They can assist with lunch time trainings, or help with a team or sport after school on a particular day of the week.

Sports Tours

Year-to-year the College considers interstate and international sporting opportunities for secondary students. Competitive school sports championships are combined with educational and cultural opportunities.

The following tours are open for expressions of interest:

- Australia School Hockey Championships, Canberra, July school holidays 2019
- T20 Schools Cricket Challenge, Sri Lanka, April 2020
